The Little Pie Shack

• MORE THAN JUST PIES •

• GET TO KNOW US •

Come in and enjoy all of the fresh, delicious pastries and treats that The Little Pie Shack has to offer. Located in picturesque Fenelon Falls, this local haunt is just off the main street. Joann Patterson's pastries all began with her mother's mouth watering pastry recipe. Combined with amazing home made filling, the butter tarts are the best seller!

The Little Pie Shack is home to a large assortment of other goodies. The pie list is extensive, with our ever popular lemon meringue, apple, and coconut cream. Visit The Pie Shack and discover more delicacies including cookies, squares, tarts, cheesecakes and all your breakfast and lunch favourites.
